Live each moment with...

Engagement. Swim, splash into water Zumba, or just sit poolside with new friends in our indoor and outdoor pools. Enjoy a group workout in our fitness studio. Savor our chef's delicious five-star meals, and let our knowledgeable concierge assist with your shopping and errands.

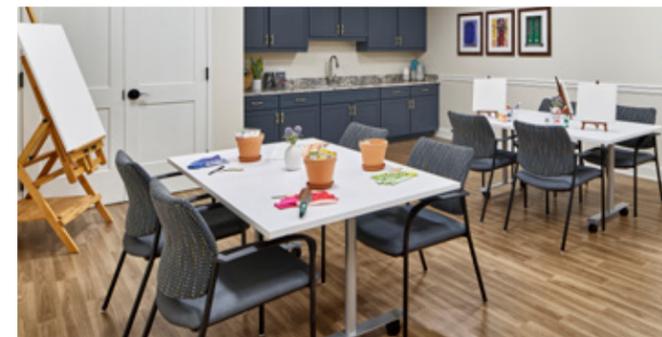

Peace of Mind. Looking forward to shoveling snow this winter? Cleaning the house? Or dealing with yet another load of dirty laundry? We didn't think so. At the Residences at Plainview, we'll take care of the chores so you can enjoy each moment of your day.

Meaning. Participate in a book club, create something beautiful, or learn how to play mahjong. Take in a movie or a lecture. Our common spaces and programs provide abundant opportunities to learn, enjoy hobbies and pursue new interests.

New Friends. You've worked hard your whole life... It's time to have some fun. Whether it's movie night in our theater or a group cooking class in our kitchen, we invite you to make long lasting friendships in our socially engaging community.

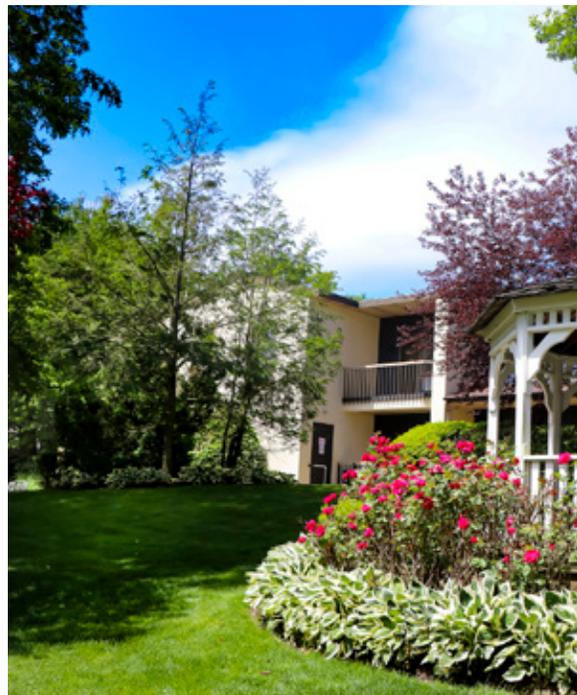

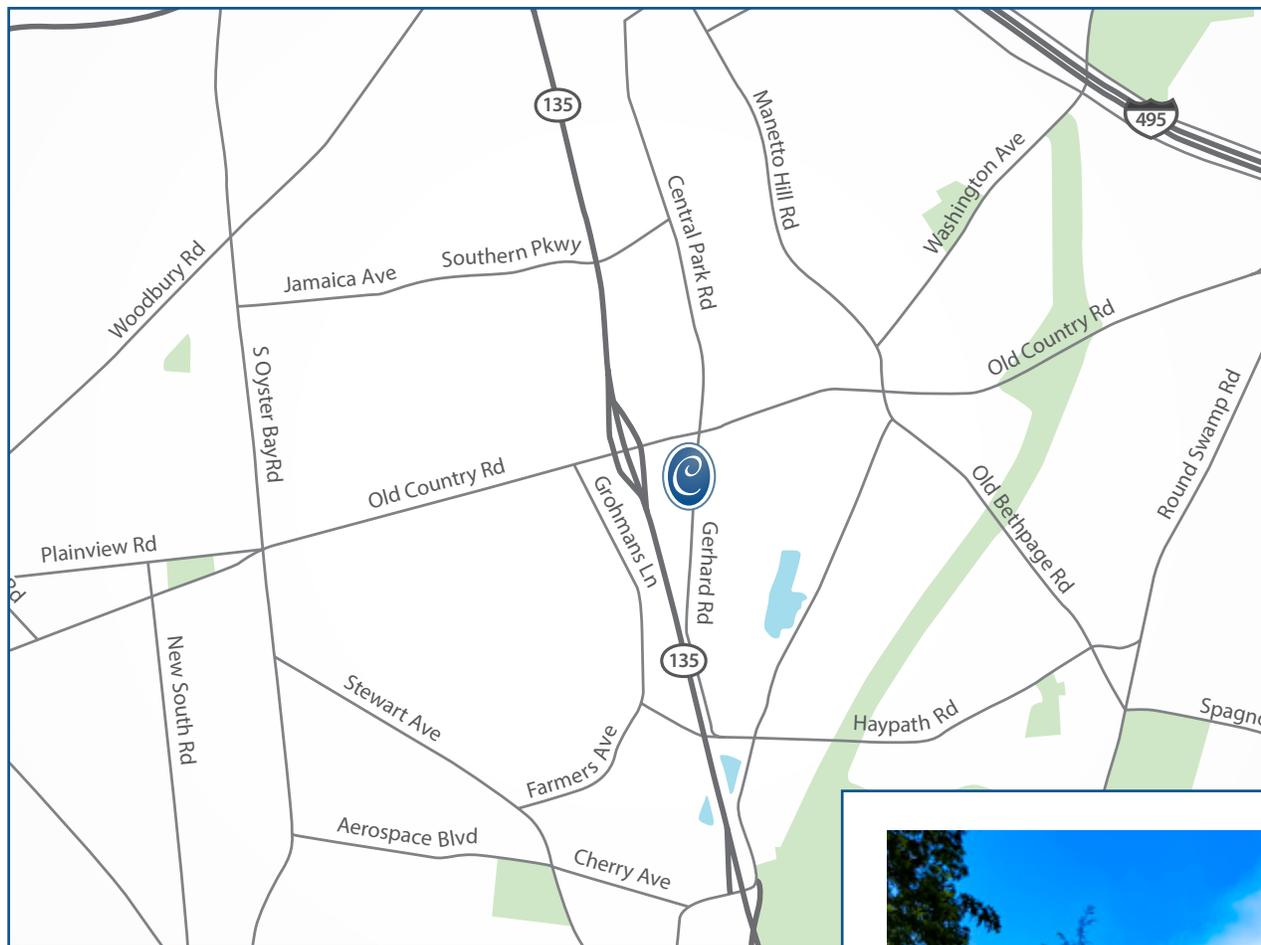

Person-Centered Wellness. Relax your mind, body and soul in Studio Nine. Whether you prefer the personal reflection and peace of private meditation or a lively group yoga session with friends, our holistic amenities can provide calm moments of mental clarity and stress relief.

Warmth. From the moment you walk through our front doors, you will experience the exceptionally welcoming manner of our friendly staff in an upscale neighborhood setting.
